

Wines, spirits & drinks

We have hand selected an array of award-winning English wines from Suffolk and Essex. Working with small independent producers such as Angus and Pod at Tuffon Hall whose modern, boutique vineyard based at Castle Halstead names their wines after their three daughters. Then there's Tom and Ben Bunting at Dedham Vale who have been producing outstanding wines from their 40-acre estate for over 25 years. And finally the team at Giffords Hall, a family run vineyard in Hartest, one of Suffolk's prettiest villages with popular vineyard tours with Linda and Guy.
